

Reading Literature Comprehension - RL.2.5

Multiple Choice

Identify the choice that best completes the statement or answers the question.

1. Read the story and answer the following questions.

Grandma and her grandchildren, Stone and Laura, were making cookies. First she had Stone measure out the sugar. Next she had Laura melt the butter in the microwave. Then grandma combined the sugar and butter together. Stone added cocoa and Laura added oatmeal. They all took turns stirring the mixture. Finally they spooned the cookies onto wax paper to cool.

What happened last?

- a. Stone measured out the sugar.
